The Rotary Club of Milledgeville
MEMBER PROFILE

Karen Brooks

Rotarian Karen Brooks first joined the club in April 1994. At that time, she was the marketing director for Hatcher Square Mall. Currently, Karen serves as the Community Relations Coordinator for Oconee Regional Medical Center. She has been with Oconee Regional Medical Center since May 1999 when she was hired as the Marketing Director for a senior living community project the hospital was pursuing.

Karen has seen many changes in Rotary since she joined. Her first year, she served as Chairperson for the Attendance committee. Karen served on the Board of Directors from 2001-2003 and enjoyed every minute of it. She recently received her 5-year perfect attendance certificate. Karen says one of the best things Rotarians can do when they first join the club is GET INVOLVED. She has worked with attendance, public relations, Make a Difference Day, Valentine's dinner, auction, Christmas Baskets, Widows Day, and Peace Day. Karen prepared the materials for the International Award that the club received in 2002. What she enjoys most about Rotary is the fellowship with other Rotarians and the community service work.

Karen and her husband, Derek, own Brooks Equipment in Gordon. They have two daughters, Melissa and Tiffany. Melissa graduated from Georgia College and State University and lives in Milledgeville. Tiffany is in college at GMC and will transfer to the Medical College of Georgia in August.

Asked what she feels Rotary can benefit from: Karen urges all Rotarians to SHARE THEIR EXPERIENCE! If their life has been enriched by their participation in Rotary at the local, regional or international level, let non-Rotarian friends and acquaintances know. SHARE THE EXPERIENCE!
