DEFINITION OF ROTARY

Rotary is an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. There are approximately 1.2 million Rotarians, members of 31,936 Rotary clubs in 166 countries. Rotary is not a political organization, but all Rotarians are vitally concerned with everything pertaining to good citizenship and the election of good men and women to public office. Rotary is not a charitable organization, yet its activities exemplify the charity and the sacrifices that one should expect from people who believe that they have a responsibility to help others. Rotary is not a religious organization, but it is built on those eternal principles that have served as the moral compass for people throughout the ages.

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise through the development of acquaintance as the opportunity for service, the promotion of high ethical standards in business and professions, through service in one's personal, business, and community life, and the advancement of international understanding, goodwill, and peace.
