

This Week - July 24th

Program: Rotarian William Black presents
Author and Humorist
Ed Williams
 Rotarian of the day: **Wes Owens**

Last Week - July 17th

Program: **Dr. David Brown**
Interim President of GC&SU
 Interim President Dr. Brown spoke to Rotary last week on his observations and dreams for GC&SU. He immediately observed that the Board of Regents, students, faculty, and community love this campus and the atmosphere. GC&SU is providing a truly different form of education at an affordable cost. He loves the extreme sense of history in Milledgeville, and saw the perfect fit for both the college and the town. His dreams for GC&SU were to draft and hold higher quality students, to extend visibility to a national level, and not just sustain, but enhance the momentum that Dr. DePaolo started. Though he does not know the alma mater yet, he does want to come back when he knows a little more about the college!

Rotarian of the day: **Sam Watson**
