

This Week - March 18th

Program: Rotarian Paul Jones presents
Dr. Dorothy Leland - President
Georgia College & State University
 Rotarian of the day: **Ace Parker**

Last Meeting - March 1th

Program: **Solid Waste in Baldwin County**

David Jackson introduced Marion Nelson, environmental officer in Baldwin County. Marion, whose father was a Milledgeville Rotarian and a past president, spent 34 years in state organizations, then retired. He took the environmental officer "Trash Cop" position and works to educate citizens about solid waste and solid waste disposal.

President Arthur Gunn, Marion Nelson and Rotarian David Jackson

The educational responsibility of an environmental officer is combined with the enforcement aspect of the job. According to Marion, roadside trash, an acknowledged problem in Baldwin County and many other parts of Georgia, is a negative advertisement for the community. Hundreds of tons of waste are transported through our county every day. Marion believes that a continual education program, beginning in elementary school, which teaches students that dumping trash is unacceptable, is one viable way of addressing the issue.

U.S. congressman introduces resolution to issue Rotary Centennial stamp

U.S. Congressional Representative Brad Sherman (Republican-California) on 25 February introduced a resolution urging the United States Postal Service to issue a commemorative stamp in honor of Rotary's 100th anniversary and the organization's efforts to eliminate polio worldwide.

"Rotarians are volunteers who support thousands of humanitarian and educational projects that benefit each of our communities," said Congressman Sherman. "The commemorative stamp will recognize Rotary's first 100 years of public service."

"Rotary was founded 100 years ago in Chicago, and now its influence can be felt not only in the United States, but also around the globe," said RI President Jonathan Majiyagbe, in response to news of the proposed resolution. "It is fitting that the organization is honored in this way."

Congressman Sherman was joined by 31 congressional co-sponsors in supporting the proposal to honor Rotary International's centennial anniversary with a postage stamp.

Nearly one third of Rotary's more than 1.2 million club members are based in the United States.

**MEMBER
 PROFILE**

Roger Noel

It takes only a few spoken sentences for you to realize that Rotarian Roger Noel is NOT from Middle Georgia. He and his wife, Cookie, have lived here since January of 1992 when he joined the faculty at Georgia College & State University. He currently serves as Chair of the Department of Modern Foreign Languages. Prior to their relocation, Roger taught at Monmouth College in Monmouth, IL, but the Noels were a "commuter couple," with Cookie residing in St. Louis, MO. They maintained that life style for 5 _ years, and then decided to try living together. Thus, the move to Georgia. Roger and Cookie married in 1969 and are the parents of two daughters. Roger joined the Milledgeville Rotary Club in July 1992, but had also been a Rotarian in Monmouth. He has served as Director of International Service for two years, and is completing four years as Club Secretary. He will retain that office during the next Rotary year, too. Roger feels that as a Rotarian he has developed an appreciation of hands-on involvement as opposed to merely writing a check. He encourages all new Rotarians to get involved in the Club from the beginning and feels the Red Badge Program will make it easier to get new members actively involved.

NOTE: The next several Member Profiles will spotlight our newly-elected officers for the 2004-2005 Rotary Year.
